Switzerland

Sub: Project Records of Appropriate Engineering

Dear Sir,

We would like to heartily thank you for giving us an opportunity to work with Namaste Gumda Association. Also, we like to inform you that we have completed over 200 major /minor projects since the establishment of this company which have been running successfully with time to time supervision and maintenance. So hereby we have attached few documents related to our completed projects. Please find the nine attached copies of the following projects.

SN	Project Name	Capacity	Location	Remarks
1	Basuwa Khola MHP	25 kW	Sankhuwasabha	Completed (June 2013)
